NATIONAL SUPPORT CENTRE FOR AGRICULTURE

www.kowr.gov.pl

www.polandtastesgood.pl/en/

NATIONAL SUPPORT CENTRE FOR AGRICULTURE (KOWR) is a state-owned institution supervised by the Ministry of Agriculture and Rural Development. It was established to support agri-food producers and exporters, and the development of innovative agriculture, as well as to improve the quality of life in rural areas. The role of the KOWR is to build a positive image and recognition of Polish agri-food products abroad under the slogan “POLAND TASTES GOOD.” The KOWR supports Polish entrepreneurs in the agri-food industry in their efforts to expand into new markets by organizing trade missions and national stands at food trade fairs abroad.

ACTIV

www.royal-apple.pl

ACTIV is one of the biggest Polish manufacturers of natural NFC juice named Royal Apple. Our juices are 100% natural, without sugar, water, concentrate and preservatives. We can offer different flavors and types of packaging. Activ is a family-owned company. We base our business on the tradition of cultivating apple orchards. Thanks to that we've mastered the process from planting to fruit cropping.

AGROLINE

www.agrolinepoland.pl

AGROLINE is a supplier of frozen meat to customers from Africa. The company offers its services as a reliable partner from Europe. It cooperates with many producers and guarantees regular deliveries, large quantities and good prices. Agrolin has experience in the field of logistics. It offers products such as: chicken leg quarter, chicken drumstick, fillets, carcasses, whole hen, chicken MOM, beef offals etc. Most of the products supplied by Agrolin are HALAL certified.

BALVITEN GLUTENFREE

www.balviten.com

BALVITEN GLUTENFREE is the leading Polish producer of gluten-free and low-protein (PKU) food. The company was founded in 2007. Nowadays, we are the biggest gluten-free bakery in Poland and one of the biggest ones in Europe. Our mission has always been to improve the quality of life of people who have to or want to follow gluten-free or low-protein diets. With products comparable to conventional foods when it comes to the taste and texture, we bring more enjoyment and normality into their lives. We offer a full range of excellent breads, healthy and nutritious sweets, confectionery products, tasty pastas, concentrates and flour blends for home-made bread and patisseries. The health of our customers is our priority. We use the latest technologies to preserve all nutritional values during the production process to provide our customers with innovative gluten-free and low-protein products of the best quality and with a unique taste. Our products meet the highest quality standards set by IFS and BRC.

BARTEX

www.bart-ex.pl

BESTMILK

www.bestmilk.pl

BESTMILK has been operating on the food market since January 2009. The management board and the company's staff are people with many years of experience in the industry. Bestmilk focuses on trading in raw materials for dairy and confectionery production and finished dairy products, offered, among others, under private labels. The company offers:

- liquid raw materials (40% and 36% cream, raw and skimmed milk, milk concentrate, whey, etc.);
- milk fats (sweet cream butter, whey butter, etc.);
- milk and whey powders (skimmed milk powder, whole milk powder, whey powder, whey protein concentrates and others);
- cheeses (Gouda, Edam, Cagliata, Maasdam, Mozzarella, etc.);
- other dairy raw materials;
- private label products: BRACKIE SMAKI, SIELSKI SMAK, CZTERY LISTKI.

About 40% of Bestmilk's turnover is generated through exports. The company focuses on the European Union market, but also cooperates with contractors from Africa, Asia or the Middle East.

BIALSKI OWOC was established in 2010. Our facility is located in Biała Rawska. It is a picturesque area famous for fruit farming, mainly apple trees. An advantageous location in the center of Poland facilitates cooperation with Polish and foreign counterparties. Our shareholders are experts in production of high-quality fruit. The unique climate of Biała Rawska region contributes to the distinctive and incomparable taste of produced fruit. We sell fruit all year round. The fruit we offer is characterized by high quality and numerous varieties. We offer over 20 varieties of apples and 6 varieties of pears. Fruit farms of the producers associated within our company cover over 600 ha. This area is still increasing. Produced fruit is of the highest quality, which is confirmed by the fact that all producers' farms have IP certificates as well as Global G.A.P. and BRC certificates. The company's sorting and storage base, which was put into service in 2014, has been equipped with modern machines and devices for preparing fruit for sale. With the use of two lines for sorting apples, we are able to prepare 150 tons of fruit for sale every day. Modern weighting and packing machines enable us to pack the product in accordance with the customer's requirements. We have 32 ULO cold stores, where we can keep 8000 tons of fruit, whereas we are able to store another 8000 tons in facilities belong to our shareholders.

BOGUTTI

www.bogutti.com

BOGUTTI is a family company which specialises in manufacturing high-quality cookies and fudges. The company is thriving and expanding into new markets. We focus on exports, which make up 60% of our sales. The company is also a supplier for retail chains, both in Poland and abroad. Our products are valued for their quality and interesting flavors. The company is able to achieve high standards of production by investing in its plant and warehouse.

CHOCOMOCO

www.chocomoco.pl

CHOCOMOCO chocolate factory was established in 1995. It specializes in chocolate tablets, but also produces couvertures, spreads and filled pralines. Our main advantage is that we produce the chocolate mass from the beginning in the factory. We process cocoa liquor, cocoa butter, sugar, and milk into delicious products, which can be found in 25 countries. We supply our partners with the highest quality product in competitive price and within tight deadlines.

FRUIT FAMILY

www.fruitfamily.eu

FRUIT FAMILY is a dynamically growing producer group of 87 shareholders, with a fruit production area of more than 1 000 ha. Our annual volume of production is ca. 50 000 tons of apples. We offer the following varieties: Gala Must, Golden, Red Delicious, Gloster, Idared, Red Jonaprince, Royal Gala.

— 1987 —

KUPIEC

www.kupiec.pl

It has been present around the world for more than 170 years, offering chocolates tablets – plain, filled or containing additional ingredients, milk fudge, mixed chocolate candies and pralines without alcohol, as well as the Coffee Box. The company has rich chocolate-making traditions, as well as innovative products such as Chocosqueeze. The selected assortment of our products is halal certified.

MASPEX

www.maspex.com

MASPEX is the largest private company of the Polish food industry and one of the largest ones in Central and Eastern Europe. We are a distinct leader on the market of juices, nectars and beverages, and a leading manufacturer of instant products. Maspex is also a market leader for pasta, jams and sauces, and a leading producer in the segment of ketchups, ready meals and vegetable preserves. In addition, the company is a dominant player on the Romanian water market.

SOLIGRANO

www.soligrano.pl

SOLIGRANO is a family brand and an affiliate of OrganikAgro Foods – a leading producer of puffed grains. It is the largest producer in the industry in Central Europe. The company offers the highest quality organic and conventional products, gluten and gluten-free, suitable for both vegans and vegetarians. We have experience in working with retailers and in the B2B channel, private labels and building our own Soligrano brand.

POKÓJ

www.sp-pokoj.com.pl

POKÓJ – existing since 1949, the company is one of the oldest producers of milk caramel sweets in the world. The highest quality is our top priority, regardless of whether we refer to milk fudge, toffee in various flavors or original caramel sauces. All our products are based on the highest quality raw materials and the company's original recipes. When combined with the expertise of our confectioners, our milk sweets become unbeatable.

Prima 2000

www.prima2000.pl

PRIMA 2000 is one of the largest distributors of fruit and vegetables in Poland. We started our activity in 1991. Our company is located in the center of Poland, which is called the “Largest Garden in Europe”. Thanks to our location, we have constant access to fresh apples, pears, plums, blueberries, raspberries, white cabbage and peppers, which are produced by our trusted producers. We deliver our products to 30 countries around the world. We owe this success to many years of experience in the industry, professional service and the quality that we guarantee.

SWEET BRANDS

www.sweet-brands.com

SWEET BRANDS was established in 2012. From the very beginning, the company’s operations were oriented towards the international market. SWEET BRANDS is the owner of SWEET&JOY brand. We offer high quality sweets: cookies, waffles, wafers, meringue cookies, roll wafers, chocolate and cookies with no added sugar. Our products are produced according to the highest quality standards such as IFS/BRC. We cooperate with more than 15 countries all around the world.
