NATIONAL SUPPORT CENTRE FOR AGRICULTURE (KOWR) is a state-owned institution supervised by the Ministry of Agriculture and Rural Development. It was established to support agri-food producers and exporters and the development of innovative agriculture, as well as to improve the quality of life in rural areas. The role of the KOWR is to build a positive image and recognition of Polish agri-food products abroad under the slogan “POLAND TASTES GOOD.” The KOWR supports Polish entrepreneurs in the agri-food industry in their efforts to expand into new markets by organizing trade missions and national stands at food trade fairs abroad.

ACTIV

www.royal-apple.pl

ACTIV is one of the biggest Polish manufacturers of natural NFC juices under the brand Royal Apple. Our juices are 100% natural, without sugar, water, concentrates and preservatives. We offer a wide range of flavours and different types of packaging. Activ is a family-owned company. Our business is based on the tradition of cultivating apple orchards, which allows us to control the production process from planting to fruit harvesting.

AGUS

www.agusglobal.com

AGUS is a food and beverage company, leading in dairy, beverages, snacks and breakfast products. Our recognized international and regional brands include *Royal Milk*, *Olimp Milk*, *Diamond Milk*, *Majestic*, *Pride*, *Milmo*, *Milky* and *Hello Day!*. ARSENAL PL

www.arsenalpl.pl

ARSENAL PL is a Polish exporter of FMCG products, supplying wholesalers, chain stores and markets all over the world. We offer over 20000 products from many different assortments, of both Polish and international producers. We provide logistic services such as stickering the goods and loading consolidations. Our office is located by the Baltic Sea, close to Gdynia and Gdansk container terminals.

BIALSKI OWOC was established in 2010. Our facility is located in Biła Rawska. We offer over 20 varieties of apples and 6 varieties of pears. Fruit farms of the producers associated within our company cover over 600 ha. Produced fruit is of the highest quality, which is confirmed by IP, Global G.A.P. and BRC certificates held by all associated farms. The company's sorting and storage base, which was put into service in 2014, has been equipped with modern machines and devices to prepare fruit for sale. With the use of two lines for sorting apples, we are able to prepare 150 tonnes of fruit for sale every day. We have 32 ULO cold stores, where we can keep 8000 tonnes of fruit. We are also able to store additional 8000 tonnes in facilities belonging to our shareholders.

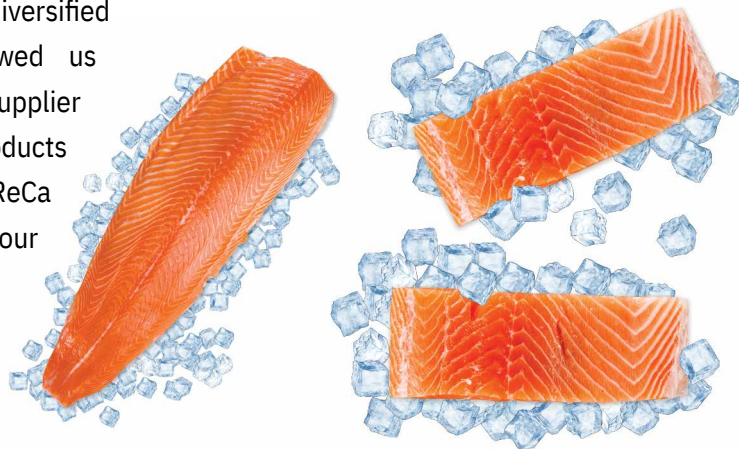

CONTIMAX

www.contimax.pl

CONTIMAX was established 30 years ago in the south of Poland – a region that may seem as far away from the Polish sea as possible. Although Bochnia is closer to the mountains than to the Baltic Sea, Contimax managed to open three production plants supplying the Polish market with fish, gradually expand its international customer base, and to secure its position as one of the largest fish producers in Poland. At present, we deliver our products to 30 countries around the world. Our offer includes over 200 products: fish marinades, ready meals, smoked fish (mainly mackerel and salmon), fish cans and frozen products, mainly salmon – all managed as a portfolio of *Contimax*, *Koneser*, *Rybak*, *Nowy Wiśnicz*, *Śledzie od Serca* (*Herring from the Heart*) brands. A wide range of products and diversified production have allowed us to become a strategic supplier within the category. Products dedicated to the HoReCa industry complement our assortment portfolio.

fruitful FRUITFUL INVESTMENT

www.fruitful.com.pl

FRUITFUL INVESTMENT is a family-owned freeze-dried fruits producer. With more than 20 years of experience in the food industry, we are able to offer only premium, high-quality products. We specialize in processing strawberries, raspberries, blueberries, cranberries, red and blackcurrants, sour cherries and apples, although we can process any fruit in any fraction – whole fruit, slices, segments, grits or powders.

GRANA

www.grana.pl

GRANA is the world's leading producer of instant beverages made from roasted cereal grains and chicory root, which are perfect coffee alternatives.

Our beverages are based exclusively on natural ingredients such as: cereal grains (barley, spelt, rye and barley malt), roots (chicory, dandelion) and plant extracts (rose hip, apple, orange). Our drinks are natural, caffeine-free and rich in fibre.

WOŹNIAK GROUP

www.grupa-wozniak.pl

WOŹNIAK GROUP is a Polish family holding established in 1986, specializing in egg production and egg processing. The company is active not only in Poland, but also in European countries. As a producer with over 30 years of experience and developed know-how, we have become experts in our field. Our knowledge and experience position us as a reliable business partner on the Polish and foreign markets.
