NATIONAL SUPPORT CENTRE FOR AGRICULTURE (KOWR)

is a state-owned institution supervised by the Ministry of Agriculture and Rural Development. It was established to support agri-food producers and exporters and the development of innovative agriculture, as well as to improve the quality of life in rural areas. The role of the KOWR is to build a positive image and recognition of Polish agri-food products abroad under the slogan **POLAND TASTES GOOD**. The KOWR supports Polish entrepreneurs in the agri-food industry in their efforts to expand into new markets by organizing trade missions and national stands at food trade fairs abroad.

AKSAM is a family-owned Polish company that has been delivering the “joy of munching” since 1993, built on the heritage of our iconic Beskidzkie brand. Our extensive portfolio - ranging from legendary sticks and pretzels to bagels, peanuts, and snacks - is crafted from the highest quality ingredients to ensure a signature, perfect crunch. Today, Aksam operates two modern production plants with over 600 employees, successfully exporting to 40 countries worldwide. Our commitment to excellence and ethical standards is confirmed by top-tier certifications, including BRC, IFS, SMETA, Halal, Kosher, and V-Label, making us a trusted partner and leader in the international savoury snacks market.
